Welcome Back

We hope everyone enjoyed their summer and are ready to get back into their normal routines. Our staff is excited and ready to work with all of our students this season. Once again, we are asking all of our students to set some personal goals in their classes, and really strive to achieve them.

Over the past twelve years, we have come to know many of the families, and have become a very close knit community. We (myself and staff, and the parents) would like to see every child and every family do well. We have planned a fun and exciting season, with many special events, and we hope to see you all there. Please note we have a community bulletin board in the lobby. Please feel free to place your business card, or bulletins if you would like to barter for things. Hopefully, in this tough economic time, we can all help each other out. If you would like to help out the school with fundraising (for new equipment, team uniforms, etc.) please email boosters@sassodanceandgym.com. Any time you can give is appreciated!

United We Handstand

Regardless of anyone's political beliefs, I believe it is important to remember September 11th, and to thank all of the men and women who serve or have served in the military, law enforcement, fire department, and medical community. In honor of those who lost their lives that day, and in honor of those who serve, we are having a "United We Handstand" coloring contest for our students. The picture and crayons are available in the South Lobby. Once your child has colored the picture have them write their name and age at the top and turn it in at the customer service desk. The pictures will be judged by age groups on September 12th. The winners names will be posted on our website on the 13th. The Winner in each age division will receive a Patriotic Leotard. Good Luck to all!

Family Fitness Night

In honor of National Gymnastics Day and the Tyson Fitness Challenge, please join us Saturday, September 19, 2009 for Family Fitness Night. Parents you have the opportunity to see just how hard your children work. We will have four stations set up and will be awarding points at each station. Prizes will be awarded at the end of the evening. We will also be awarding certificates to those students that participated in the the Tyson Fitness Challenge. Immediately following is a pot luck dinner. We would like to encourage the students to eat a healthy diet, so bring in your best healthy dish. As part of the Tyson Fitness Challenge, we raise money each year for Children's Miracle Network Hospital. If you would like to get sponsors and raise money with your workout, sponsor sheets are available at the office. The event sign up sheet is also available at the office; a \$5 donation is suggested, but not required to participate. The deadline to register is September 15th.

Construction Update

Please pardon our dust! We were hoping that the boutique and office would have been moved down to the South end of the building before the start of Term 1- close, but no cigar. The construction is being done in stages, and we have no control over how fast inspections are made. So please bear with us, as we will be moving things around over the next few weeks. When completed we will have a larger gym, an additional dance studio, music rooms, a separate outside entrance to the boutique, and a larger waiting area with closed circuit monitoring and television. We thank you all for your cooperation and understanding.
